

ENGAGE-ING UPDATES

HI FROM
MATT

Hi, Merry Christmas and welcome back to the Newsletter.

It must have been about 6 years since we last sent out a newsletter and that, I guess is a sign that things got a little busier around here. A lot has happened since then so we thought we would let you know what we have been up to.

We have grown the team, designed and delivered a mental health programme, survived a global pandemic, moved into an office and much more, some of which you can read all about in this newsletter.

I hope you will be pleased to see the progress we have made and the impact we are making in the lives of young people. I also hope you will journey with us in this next phase as we look to deliver more of our programme, develop new initiatives and make a transformative difference to more and more lives, not only in Wolverhampton and the Black Country but right across England.

'Seek the peace and prosperity of the city you are in. Pray to the Lord for it because if it prospers, you too will prosper'

Jeremiah 29:7

YOUNG PEOPLE'S FEEDBACK

'I would recommend it as it has made me feel more confident in myself'

'I've learnt to forgive and let myself be free'

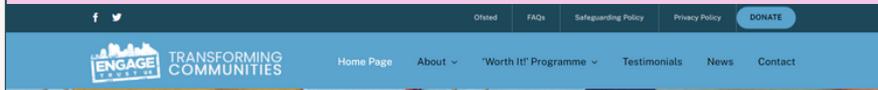

'It shows you how to become a bigger person and to always move on'

THE 'WORTH IT' PROGRAMME

This is our 12 session mental health and self - esteem programme, made up of both group and one to one sessions. We look at topics like identity and character, the power of thoughts and words and conflict. We are currently running it in two different schools and are looking to expand it into more.

NEW WEBSITE

We have been busy working behind the scenes on a brand-new website!! It has been a while in the making, but we have finally gone LIVE. Check it out at: www.engagetrustuk.org

Setting up Engage Trust UK took a big step of faith and as a Christian charity we want to thank God for all he has done.

NEW OFFICE SPACE

We have been looking for some office space for a while now and are very happy to say we have found some!!

We are located at Deansgate on the Tettenhall Road, and we are loving it. It was a big step of faith for us, and we are trusting God for provision to continue expanding and growing Engage Trust UK.
